

## DDMS [AMS] P. OBUL REDDY PUBLIC SCHOOL

### ESSAY WRITING COMPETITION CONDUCTED BY BIRLA SCIENCE GROUP.

The BM Birla Science Centre Hyderabad, jointly with the Academy for Science Technology and Communication (ASTC) and the National Academy of Sciences India (NASI) Hyderabad celebrated Earth Day on Monday April 22nd 2024. As the part of the celebration they decided to hold an essay writing competition for high school children on April 19 2024 on the following topic

**“The Future of Clean energy: solar, tidal wind and beyond”.**

The Birla Science Planetarium recently hosted an exhilarating essay writing competition, inviting budding scientists and scholars to explore the depths of scientific inquiry. As a teacher, I embarked on a two-day journey filled with learning, inspiration, and camaraderie.

FIRST DAY

ESSAY WRITING ON APRIL 19, 2024,

SECOND DAY

GEO SCIENTIST INTERACTION SESSION ON APRIL 22, 2024. (EARTH DAY).

Gracing the occasion were luminaries of scientific and administrative realms, including esteemed IAS officer **A.VANI PRASAD**, chief geoscientist **HK Gupta** and chief geoscientists. Their presence lent gravitas to the proceedings underscoring the significance of scientific literacy and innovation in shaping collective future interacting with these Trail Blazers was a privilege offering glimpses into the interaction of policy science and social progress in those

The competition drew participants from diverse backgrounds, each bringing their unique perspectives on scientific topics. Topics ranged from astrophysics to environmental science, providing a platform for us to delve into pressing issues and cutting-edge discoveries. Crafting essay, students delved into the intricate workings of climate change and its impact on global ecosystems, spurred by their passion for environmental sustainability.

Abhiram Emani (Class-VII), Abhavyasree (IX), Slokha (Class-X), Srinidhi (Class X) Lekhya (Class-XI) attended the workshop. Science faculty Ms. Lakshmi Manasa accompanied them.

The culmination of the event was the award ceremony, where participants were honored for their dedication and creativity. Our student **LEKHYA.M class XI** was awarded the appreciation prize and remaining students received participation certificates.
