

24th ANNUAL YMCA KARGIL VICTORY SPORTS FESTIVAL

In the bustling, competitive world of academics, where every child is encouraged to be the best they can be, it's easy to overlook the pivotal role of sports in a student's life. At DDMS P. OBUL REDDY PUBLIC SCHOOL, we take pride in nurturing young minds and understanding and harnessing the incredible power of sports. With the belief that physical education is an indispensable part of a child's overall development, we offer many sports opportunities to our students. The importance of sports in school cannot be overstated. We recognize that education is not confined to the four walls of a classroom. It extends to the playgrounds, where character is built, values are imbibed, and potential is unlocked, and we are committed to offer our students, the best in sports education.

The sports enthusiasts from DDMS P.OBUL REDDY PUBLIC SCHOOL participated in the under-17 **Kabaddi** competition for Boys and secured the **1st position** at the 24th Annual YMCA Kargil Victory Sports Festival held at Narayanguda on the 30th and 31st of July, 2024. Students also secured the **2nd Position** in the Under-17 **Basketball** Competition at the event.

As we nurture the minds of our future leaders, let us not forget that the essence of proper education lies in the harmonious development of both the body and the mind. Sports in school are not a mere extra-curricular activity; it is a vital component of a child's journey towards becoming a well-rounded, successful individual.
