## THE NATIONAL FLAG OF INDIA

The 'Tricolour Flag' is the national flag of India. It was modified from the Swaraj Flag, which had a charkha in the middle instead of the current

Ashoka Chakra. The original Swaraj Flag was proposed by Mahatma Gandhi in the 1920s and was designed by the freedom fighter Pingali Venkayya. It was used by the Indian National Congress before independence. It was also used as the battle ensign of the Indian National Army led by Bose. As former President Sarvepalli Radhakrishnan described the current flag, the saffron

colour meant the courage and selflessness of the nation. It also meant the renunciation of ego of the people of different religions to break their social barriers and become one.

*I slept and dreamt  
that life was joy.  
I awoke and saw  
that life  
was service.  
I acted and beheld,  
service was joy.*
