Class IX & X TERM-1 NEWSLETTER-Eco Club

“Teaching children about the natural world should be seen as one of the most important events in their lives - Thomas berry”

From the Editors,

We know that we are an integral part of the Environment we live in and the solution to many environmental problems lie in our attitude towards environment. The best way to bring about a change in this attitude in society is through children. At DDMS, Eco Club plays a very important role in creating environmental awareness amongst them, encouraging them to think creatively as they apply their knowledge to real, everyday thinking. Involving students in participation through real responsibilities improves self-esteem, which impacts learning. The attitudes developed will stay with pupils throughout their lives. Students will also have greater respect for, and take more care of, other environments they encounter.

Enjoy reading various activities of the club and spread the knowledge....

----- INCHARGE TEACHERS: Mrs.B.NAGAVEENA &Mrs.R.MALLESHWARI

Objectives of ECO CLUB:-

1. To INCULCATE environment friendly habits in children
2. To PROMOTE activities which improve condition of our Environment
3. To SENSITISE children to understand that plants & birds are also the citizens of earth
4. To help children DISSIMINATE the message of conservation of nature.

Activities of Eco club in TERM -I

In the months of April & May a Herbal Garden was started in school by Medicinal Plants Board of Govt of Telangana initiative. We received all the help from the government in terms of cement rings, saplings, soil etc..., From school we got the place allotted for school herbal garden. We want to thank our school gardener Anji reddy for his efforts in planting the saplings. All the students of eco club participated enthusiastically in maintaining it further.

Nature is the art of GOD- Thomas Browne

A Tree Plantation Drive was organized on **12th July** at DDMS P.Obul Reddy Public School, to mark the occasion of **'HARITHA HARAM CAMPAIGN'** Govt.of Telangana Initiative. We went to the Nursery located at MLA colony and collected the saplings. After coming back to school and conducted plantation drive with our CHAIRMAN- SV RAO, & SECRETARY – NARSIMHA RAO, accompanied by our Principal Anjali Razdan, Vice Principal Vineetha, & Head Mistresses Udita and Valli. Student's active participation with slogans on Placards made that event a huge success.

An orientation programme was conducted to the students of classes' 6 to 12(ECO CLUB) on **16.07.2016** on the title "*VOLUNTEER FOR INDIA AND HER ENVIRONMENT WITH EFI.*" Resource persons from EFI were Mr.ARJUN & Mr.SURYA. Inspired by the talk, students from classes XI & XII joined for Gangaram lake cleanup programme.

A visit to *NEKNAMPUR LAKE* by Eco Club children of classes 9 & 10, on **23.7.16**.Resource Person was Ms.Madhulika from DHRUVANSH NGO.Visit to the lake was very motivating and inducive to the students. They adopted plants and kept bottles near plant roots to trap rain water. Talk by Madhulika to students was very motivating to students. They got the sense of responsibility towards Nature.

Look deep into nature and then you will understand everything better

- Albert Einstein
