PIONEER CHALLENGERS

Facial expressions are a universal language of emotion, instantly conveying happiness, sadness, anger, fear, and much more. Reading these expressions is essential to compassion and empathy.

In Expressions club children of **CLASS-I** were taught how to express themselves through story telling using **finger puppets** and **hand puppets** in the months of **(June and July)**.

A million feelings,
a thousand thoughts,
a hundred memories.

ONE person.

In the months of **(August and September)** children have experienced the wonderful concept of **finger** and **hand shadow**.

Also have been introduced to the brain storming concept -- **WORD BUILDING** through which the little brains started working and exploring themselves to the heights.

KEEN INTELLECTS

Manners and Ettiqetes

*In the beginning month of **June**, children of class-II were taught Good Manners and Ettiqetes, Wishing people, Table manners by making them do group activities, and by showing some good modules.*

Finger Shadow concept

*During the month of **July**, students were trained how to use their hands for shadow concepts. They enjoyed making different finger shadows like bird, dog, elephant, swan etc. using their small fingers. A story time was organized by using their fingers which they did enthusiastically.*

Word building

*In the month of **August**, to develop concepts and develop correct English use the club conducted activities like word building, story construction using group of words. To develop their oratory skills poems like “In the Heart of the seed”, “Good Health song” were introduced. By the end of Term-1, they were shown a children movie “**The Jungle Book**”.*

QUIZZING AND BUZZING KIDS

The students of class III were taught quizzing and also different expressions in this club.

In the month of July, students were given words to build three, four and five letter words out of the given word which was done by them enthusiastically.

August being the month of festivals, a small quizzing on festivals was conducted where the students mastered the quiz.

Apart from these, each child made a demo of the **finger shadows** like peacock, dinosaur, bird, fish etc., shown in the pictures →

More interest was created as the topic for September month was

'Finger Puppets'. The imagination of children was so creative and they made different finger puppets on their own and created a story. This not only enhanced their creativeness but also their vocabulary.

MANY MORE ACTIVITIES WILL BE GIVEN TO MAKE THEM MORE BRAINY AND CREATIVE
