

## FIELD TRIP TO TELANGANA STATE MUSEUM

DDMS P OBUL REDDY PUBLIC SCHOOL organized a visit to the State Museum for the students of class VI and VII on 3rd August, 2024 to enhance the exciting opportunities to explore the world outside the traditional classroom setting. Field Trip places provided an exposure to real-life examples of concepts and skills learned in school.

The State Museum has various departments that have collectibles and artefacts on different subjects and historical periods on display. Students observed numerous images, articles, sculptures, and scriptures—rock engravings and many other articles of great value and interest.

The mummified body of Princess Naishu, which exhibit an Egyptian mummy attracted the students

This field trip gave the students an opportunity to explore various factors and benefit observation skills through self-discovery and collaboration with peers.

Overall, it was a fun-filled day for all the students.
