

## **NATIONAL YOUTH PARLIAMENT SESSION**

The National Youth Parliament is a place where young fervour minds come together to discuss the problems and their solutions, government schemes and showcase their opinion on the nation's development. It is an affirmative and fantastic initiative by the Government of India.

DDMS P. OBUL REDDY PUBLIC SCHOOL scheduled The National Youth Parliament on the 23<sup>rd</sup> of July, 2024 in the school auditorium. It was a dazzling showcase of youthful energy and excitement that truly defies easy description. From the moment the gavel fell, the grand assembly hall was electrified with anticipation and participants ready to answer complex issues like inflation, unemployment, and economic inequality with a compelling mix of sharp intellect and personal stories.

Each debate was a captivating display of both rigorous analysis and heartfelt commitment. The climate change discussions were equally riveting with delegates presenting innovative solutions and bold ideas with an infectious enthusiasm that transformed the venue into a vibrant hub of creative and urgent discourse. Their passionate proposals highlighted a deep commitment to environmental action and made the debates both inspiring and impactful. The debates were simply mind-blowing.

The day took a dramatic turn when opposition members staged a passionate protest, adding a layer of intensity and highlighting the high stakes of the discussions. The session reached its peak with the delegate representing Rahul Gandhi's intense exchanges with key figures like the delegates representing the Speaker and the Prime Minister.

The National Youth Parliament was an unforgettable blend of eloquence, passion, and drama. It was a day of profound moments and dynamic exchanges, showcasing the boundless potential of the next generation of leaders and leaving an enduring impression on all who witnessed it.
