

“NO BAG DAY”-PRIMARY

Students of Primary, DDMS P. Obul Reddy Public School, enthusiastically took part in “No Bag Day” held on 6th, 8th and 9th of August, 2024, which enhanced the learning experience through different teaching methods that left a stronger impression on individual’s mind. Teachers have planned various activities grade wise in each subject that include listening and comprehending skills, addition fact flowers, playing games, making Ganesha idol with eco-friendly material, speaking skills on similes and adjectives, drawing, colouring, JAM, Bindi activity for multiplication, making variety of puppets, 1 min talk on mother, making family tree, formation of roman numerals with the help of match sticks, making bird feeder, blending with herbal plants in making herbal garden, designing clothing using various types of fabrics, 1 minute talk on Bonalu, group discussion and debates on “Living safely at school, home and beyond, activity on Lines and Angles and so on. Students enjoyed whole day as they involved very well in the activities and could get hands on experience. The true intention of conducting no bag day provided exposure to the world outside the classroom with transactions that affect and contribute to day-to-day life; build observation-based learning capacity and scope for practice; and to develop their social skills.
