

## PRE-PRIMARY GRANDPARENTS DAY CELEBRATION

“What children need most are the essentials that Grandparents provide in abundance. They give unconditional love, kindness, patience, humour, comfort and lessons in life. A child needs Grandparent to grow a little more securely into an unfamiliar world.”

Grandparents are a family’s greatest treasure. They are as necessary to a child’s growth as vitamins & minerals. Grandparents’ day is a symbol of the bond between Grandparents and grandchildren. To honour their unconditional love, the students of Pre-primary celebrated Grandparents day on 21st September 2024 in high school Auditorium with over 400 Grandparents attending the event. It was a heartwarming gathering of Grandparents and their grandchildren.

The event started with a prayer and Principal’s address. The Grandparents engaged in various activities and games that strengthened the bond between the Grandparents and their grandchildren. A ramp walk with theme ‘RETRO’ was organized for Grandparents along with their grandchildren. They enthusiastically participated and thoroughly enjoyed.

Various games were planned and conducted for Grandparents and prizes distributed to the winners. They exhibited their talents by dancing and singing as a part of the game of ‘Passing the Donut’.

A special cultural programme was organised which included song and dance performances by the grandchildren to honour and pay tribute to their Grandparents and they were gifted take home activities prepared by children. It was a successful and memorable event and we were glad to see the enthusiasm and excitement in the children and their Grandparents.
