

PRE-PRIMARY BATHUKAMMA CELEBRATIONS

Bathukamma was celebrated by our Pre-Primary Section, enthusiastically in school on 30/9/2024. Bathukamma is a flower festival which represents the cultural spirit of Telangana. The abundance of flowers and colourful traditional attire of students and teachers marked a very special celebration in our school. To celebrate this beautiful festival of Telangana, students wore traditional attire and an air of festivity prevailed in the campus. An artistic display of flowers, also called Bathukamma adorned the centre stage. The children danced with high energy and enthusiasm to the songs played by their teachers. The teachers joined the students in dancing to Bathukamma songs, ending the celebration with joyful hearts and festive wishes for the oncoming Dussehra.
