

## CLASS 4 TRIP TO VIKARABAD: A JOURNEY WITH ADVENTURE, AMAZEMENT, FUN AND ENTERTAINMENT...

Educational tours are a crucial component of the academic program because they give students the chance to learn outside of the classroom and get useful practical experience. There is a proverb that goes,

*"I hear and I forget, I see and I remember, I do and I comprehend,"* and it refers to the idea that seeing something being done in a certain location helps people remember it better.

Students of grade 4 were taken to Trance Veechika Resort located in Vikarabad on 2nd and 3<sup>rd</sup> October, 2024, dwelled in the nest of nature's lap, located close to Ananthagiri Hills. They were accompanied by Pre-primary Headmistress, class teachers and other faculty members. The resort has a wide array of cottages and camping options. To add on more, we also have a lot to do when it comes to adventure sports and activities.

After reaching the resort, students were instructed about the schedule by the guides and they started the day by playing cricket, football, and rain dance. The best part was tents, where three students were allotted in one tent for accommodation and they really enjoyed a lot. The guides have divided the students into teams and completed engaged them with outdoor activities, followed by lunch.

The most awaited part of the schedule was rope lining, tyre climbing and rope climbing. Later, they continued playing games like badminton, throw ball and valley ball, followed by sand pit arena. Teachers consistently helped students in all activities and completely enjoyed with the peer group.

After completion of the rope lining activity, they were given snacks and spent time in the tent houses, followed by night DJ with lot of zeal and enthusiasm. Teachers and students involved very well and had fun to the core. The happiness was limitless and had delightful dinner after doing tireless dance movements. The day ended with bonfire and all the students have experienced it in

Day 2 started with the most energetic and adventurous trekking to reach the peak point. They began with lot of zeal and explored the nature walk by crossing surprised routes, water ways and deep forest beauty. After completion of trekking, they had breakfast and waited for an interesting part of the schedule. The guides have conducted treasure hunt, which is the last part of the activities and the teams actively participated and found the treasure. Finally, students departed from the resort after completion of lunch.

The trip had truly given them lot of exposure, experience to live independently without family, adjust and enjoy with the peer group, learning from unlearning and truly had a blend of fun, entertainment, and amazement.
