

CLASS – NURSERY
WEEKLY LEARNING PLAN

WEEK NO – 20 &21

DATES – 13.10.2016 to 21.10.2016

BLOCK COMMENTARY

Dear Parent,

Here is the information about the early programme lesson on “My Clean and Tidy World”

In this lesson, students will learn to keep their classroom, home and school clean.

Students will sing a rhyme and pick up the waste in the classroom. They will then wash their toys and clean other things in the class. Students will listen to a story about keeping the home clean. They will recall the main character and event in a story. They will go for a walk around their school and collect the waste. They will brainstorm on ways to keep their school clean and tidy and make posters.

During Language time, students will recognise the letter and familiar words that begin with the letter “K”. Students will make sleeping lines. They will look at pictures in a book and talk about them.

During Maths time, students will identify. Show trace and rainbow write the number 1.

Rather than simply writing the number, students will make the number in sand, trace it on sand paper, put beads on its shape, make it with play dough, paint it and finally do the rainbow writing.

At home, children can be asked to count all the things that are 1 in number.

CLASS TEACHERS:

NURSERY A – P. PADMAVATHI

NURSERY B – P.GEETHALAKSHMI

CO – TEACHER – K. BHAGYA SREE
