

NCC FIRING SIMULATION

NCC is one of the premier youth organizations in our country, contributing in propagating national unity and integrity amongst youth. Its role in instilling in them the values of character, discipline and hard work and in shaping them into dynamic and responsible citizens of the country has been well recognized. It is one of the foremost organizations which grooms the youth, the students to be worthy citizens and future leaders of our nation and further instils in them discipline, courage, and patriotism.

Fifty NCC Cadets from DDMS P.OBUL REDDY PUBLIC SCHOOL attended the NCC Firing Simulation 3(T) at Bowenpally on the 25th of July, 2024.

It was an enriching experience for all the cadets. By participating in the stimulation firing exercise the cadets gained valuable experience and insight into warfare techniques and tactics. It was a great learning experience for most of the cadets being the first time, holding the rifle and practicing firing.
