

Workshop on Teachers Network

A workshop on Teachers' Network, was conducted on **November 18, 2016**, by three eminent women from TCS, Leena Tipre, Manjuta H. and Rubina majlal, at DJ block Computer Lab, for **VI to XII** class teachers.

The main objective was to enhance Teaching Skills using Technology.

Teachers registered on the Teachers Network Portal.

All teachers participated enthusiastically and learned to register and also logged onto the portal. Basically it was to encourage teachers to participate in online courses so as to implement new ideas and teaching techniques in their classrooms. It also helps them in professional development.
