

Ms Soma, a resource person from Trinity College of London conducted an orientation for English Teachers on how to select the students for Trinity – GESE Grade Level Examination on 27th October.

The exam will be conducted in the school premises to meet the needs of students. It will help students become confident and independent users of English. Our school has become one of Trinity College Of London's registration centers in India.

Ms Soma has guided the teachers about how to select the students for the correct grade based on a set of parameters and their ability to converse with the examiner.
