

GITA CHANTING

To promote spiritual growth, self-discipline, and cultural awareness among students, the Chinmaya Mission conducted a Gita Chanting competition at DDMS (AMS) P. Obul Reddy Public School. The competition was categorized into six groups.

S. Aadya Reddy from the pre-primary section secured first position in 'Group A' at the school level and advanced to the district level. She demonstrated excellent chanting skills, devotion, and a deep understanding of the sacred verses. Her performance not only showcased her dedication to the teachings of the Gita but also served as an inspiration for her peers to embrace spiritual practices and cultural learning.
