

CHEKHUMUKI SCIENCE SAMBARALU - DISTRICT LEVEL TEST

Our high school science team participated in the district-level Chekhumuki Science Sambaralu (Quiz) conducted by Jana Vignana Vedika held at Raj Bhavan School on 28th November 2024. The incredible milestone event brought together some of the brightest young minds from across the district, with over 400 schools, all vying for top honors.

Our team, comprising Abhiram Emami of VIII grade, Aarfeen Ahmad of IX grade, and Shyam Pranav of X grade, was awarded Second prize. It was a stellar moment when our team was announced as the winner of this II Prize. This achievement is a testament to our team's dedication, perseverance, and passion for Science. It was an enriching experience for our team, gaining valuable insights.

Warmest felicitations and commendations to the winning team for their outstanding performance!!!
