

DDMS P OBUL REDDY PUBLIC SCHOOL

INVESTITURE CEREMONY

"A leader is the one who knows the way, goes the way and shows the way." John C. Maxwell

Investiture Ceremony is the most awaited ceremony of the year as it signifies the divesting of duties to students to teach them valuable lessons in leadership. The elections were undertaken in a very fair manner with e-nomination forms, shortlisting of selected candidates for virtual as well as physical interviews for

some of the posts. The results were declared in the assembly.

The Hybrid Investiture Ceremony was conducted on 12 August. The event commenced with the welcoming of Sri S V Rao, Chairman, DDMS P Obul Reddy Educational Academy with a sapling and a prayer song. The Principal, Mrs. Latha Shankar, while delivering the welcome address said, "We ,at the school, believe that

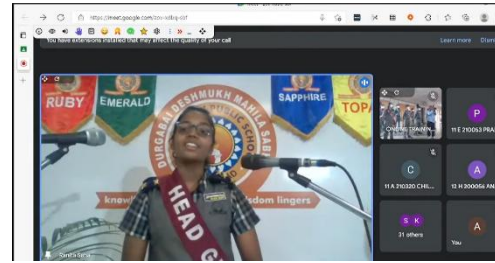

leadership is about vision and responsibility” .She reminded the students that school prefects epitomize the best qualities of students and exhorted them to uphold the rich heritage of the school.

This was followed by the procedure of investiture. The Chairman, P Obul Reddy Educational Academy, Sri S V Rao invested the following students with their duties :

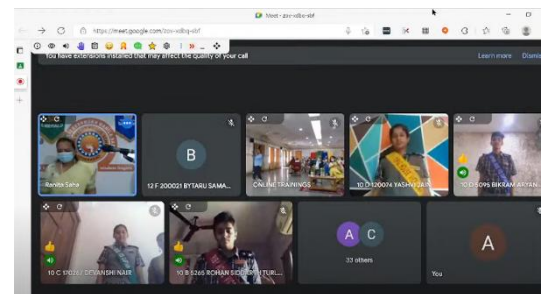

Ansh Bansal	Head Boy
M Shradha Reddy	Head Girl
Abhinav Shrivastav Pranav Kalidindi	Deputy Head Boys
Praneetha K Sanjana Munaga	Deputy head Girls
Krish Karan Saxena Jaideep Reddy Nunepally Aakash Verma Chekuri Yashna Thomas	House captains
M.Abhignya G Deepesh Reddy B.Samanvitha Giri Nitin Reddy	Sports Captains

A few glimpses:

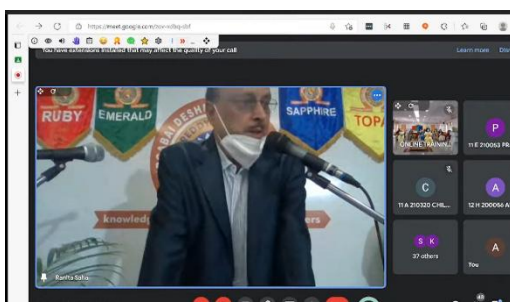

House Masters Mr Ravinder, Mr G.Srinivas, Ms Roja Rajani and Ms Theresa presented their respective house members to be invested. Head of the P E Department, Dr S Srinivasa Rao presented the sports captains.

Vice Captains were invested with their duties by their parents at their homes, due to the limitations forced by the pandemic situation.

Principal Mrs Latha Shankar called upon the newly elected student council members to prove themselves worthy of their appointment, and to take up the responsibilities and duties of the council with diligence.

Chairman, Sri S V Rao, in his address to the student council members, exhorted them to dispense their duties with sincerity and to bring pride to everyone by upholding the values that our school stands for.

In their addresses, the Head boy and Head girl expressed their gratitude to the school management for entrusting them with their duties and pledged to take up their duties in right earnest.

The ceremony culminated with the vote of thanks proposed by the Vice Principal, Mrs Vinita Anil.

In the times of a pandemic, when almost all functions of school have been shifted online, it is heartening to see the enthusiasm of students in taking up their duties in an innovative fashion."Leadership is the capacity to translate vision into reality", says Warren Bennis and there is no doubt that students will continue to contribute their best to the virtual leadership roles they have taken over.The school wishes them all the best!
