

GRATITUDE DAY

With the academic year 2022-23 coming close to a culmination, the student council earmarked 12 January 2023 as 'Gratitude Day'. The air was filled with mixed emotions as the student council, led by Head Boy Hardik Sapra and Head Girl Mohona Choudhry, thanked each and every member of the school who had supported their journey of schooling.

On this day, the council distributed gifts and snacks to each and every sub staff individually and went one step ahead in even quoting experiences where the attenders lent them a helping hand. They also took the opportunity to acknowledge the bus drivers and cleaners with sweets and gifts. It was touching to hear from a student that he was ever grateful to the bus drivers who drove them safely to school.

The day also marked the end of the tenure of the student council and the council formally handed over the school flag to the Principal Ms.Rekha Rao.
