This vibrant festival marks the arrival of the sun into Capricorn and is a time of thanksgiving for the harvest. It is traditionally celebrated with kite flying, Pongal making and feasting, and our school's celebration reflected the rich cultural heritage associated with this festival.

To enhance the spirit of the occasion, all the Pre-Primary children came dressed in traditional attire. The students enthusiastically participated in a fun filled activity where they witnessed the making of "Pongal," a traditional South Indian dish prepared during Sankranti using milk, rice, jaggery, The aroma of the delicious dish filled the air, adding to the festive cheer. Children performed a small cultural program, which included singing festive songs and dances. The performances were lively and full of energy, with children clapping and dancing in rhythm, adding to the festive mood and also as a part of the celebrations, students participated in kite flying activity.
