

CLASS 11 EDUCATIONAL TRIP TO JAIPUR AND RANTHAMBORE

The much-anticipated Class 11 trip to Jaipur and Ranthambore took place from 2ND October, 2024 to 6TH October, 2024 providing students with an unforgettable blend of history, culture, and nature. The journey aimed to offer a break from the regular academic routine and allow students to explore and learn in an informal setting.

The trip commenced with an early morning departure, with excited students and teachers to Jaipur. Upon arrival in the “Pink City,” started for Ranthambore .The following morning the students were taken for “Bird Watching “, after breakfast they headed to Ranthambore Fort and then to Ranthambore Tiger Reserve. The students were awestruck by the grandeur of the fort and learned about its historical significance, then were taken to the museum.

The next day the students along with the teachers started for Jaipur .At Jaipur the students visited the Jaipur Museum. The museum inside the palace showcased the rich culture and lifestyle of the Rajput rulers, the City Palace, an architectural marvel that stands as a symbol of Jaipur's royal heritage; next they visited the Jantar Mantar, a UNESCO World Heritage site known for its astronomical instruments. The students were intrigued by the scientific advancements made during the reign of Maharaja Jai Singh II next the students explored the local markets, where they had the opportunity to shop for handicrafts, textiles, and jewellery, experiencing the vibrant culture of Jaipur.

In the afternoon, all enjoyed a traditional Rajasthani meal. The trip concluded with a return journey, leaving behind a trail of beautiful memories. It was an enriching experience that broadened the students' horizons and deepened their appreciation for India’s history, culture, and natural beauty. The trip also helped foster camaraderie among the students, strengthening their bonds and giving them a chance to learn outside the classroom environment.
