MATHEMATICS SPECIAL ASSEMBLIES – PRIMARY

“An equation for me has no meaning unless it expresses a thought of God” remarked Srinivasa Ramanujan Iyengar, the great Indian Mathematician.

The Department of Mathematics – Primary wing celebrated National Mathematics Day in the primary ground on the 23rd, 24th and 26th December 2024. The first day special assembly was conducted by class V E. The students of grade 5 performed a wonderful dance on “BODMAS” and a skit on “Great Indian Mathematicians”, a classical dance displaying “angles”. They also stunned the crowd by showing a “Game on Multiples”.

The Second Day assembly was conducted by Grade 3 students. Few students dressed up themselves as Great Indian Mathematicians like Aryabhata, Ramanujan, Shakuntala Devi and talked about them. One of the student delivered eloquent speech to highlight the importance of “Zero”. Few logical questions were given to answer. “Treasure Hunt” was also organized.

The Third day special assembly was conducted by students of Grades 1 and 2. Students performed a skit on “Flat and Solid shapes”, song on Mathematics and a flip show on “Addition”. Students dressed up themselves as Shakuntala Devi and Srinivasa Ramanujan. One of the students of Grade 2 explained about “Division”.

All the students enthusiastically participated in the celebrations. The Primary Headmistress, Ms. K C Srivani addressed the students and motivated them on the occasion. The National Anthem marked the end of the gathering.
