

SPECIAL ASSEMBLY REPORT-“REPUBLIC DAY”-PRIMARY

The Republic Day celebrations was a resounding success, with students, teachers and staff coming together to pay tribute to our nation’s rich history and cultural heritage. The event served as a reminder of the importance of upholding the values of our Constitution and working towards a brighter future for our country.

Students of Primary actively participated in the special assembly event with speeches, songs, poems and educating the audience with the significance of the day. Few students have dressed themselves as great leaders, soldiers, army officers and politicians which highlighted the event. Students made many beautiful quotes, placards, charts and flash cards to show the patriotism and uphold the values. Primary coordinator, Ms. Rohitha hosted the event and Headmistress Ms. KC Srivani ma’am enlightened the students with a keynote on Republic Day.
