

DDMS (AMS) P.OBUL REDY PUBLIC SCHOOL

PRE - PRIMARY SPORTS RACES

Playing together makes us stronger and happier. Sports is about having fun, being physically active and learning the basics of sports and building co-ordination and motor skills, so as to give the little kindergarteners an opportunity to display their self-confidence, patience and sportsmanship. Sports play a big role in the development of young children. For kindergarteners, these activities go beyond just fun; they help children grow in many important ways. Relay races require teamwork, strategy, and precision as kids pass or take turns in a team format. The key to success in relay events is not just speed but also smooth transitions between team members. Pre Primary children of DDMS (AMS) P.Obul Reddy Public School participated in fun Sport Races on 30/01/2025 in the School Indoor Sports complex.

It was a delight to see the excitement with which children challenged themselves to compete in variety of races. The programme closed with medal presentation by the Principal Ms.K.Vinitha and Pre Primary headmistress Ms.K.Vijaya Durga.
