

## EDUCATIONAL FIELD TRIP TO FARM DAY AT GLENDALE ACADEMY

*Field Trips are fun and frolic. Field trips enhance Children's hands on learning experience*

Pre Primary children of DDMS P.OBUL REDDY PUBLIC SCHOOL were taken to Glendale Academy on 29<sup>th</sup> November 2024 for farm day with an objective of sensitizing children about animals and it was a resounding success, providing our children a unique and engaging learning experience, featuring a diverse range of animals, including horses, camels, sheep, and ducks. The students were thrilled to interact with the friendly animals, learning about their habitats, characteristics, and sounds. The hands-on experience allowed them to develop their observation and critical thinking skills.

There was a delightful puppet show organized, featuring colorful puppets and engaging storylines. The show not only entertained the students but also conveyed valuable lessons on empathy, kindness, and responsibility.

Glendale Academy Farm Day was a memorable and enriching experience for our pre-primary students. In true sense, the visit to the Farm fest helped our students to co-relate the concepts they have been learning in class.
