

ONLINE SESSION ON BULLYING AND CYBERBULLYING

Recognizing the importance of fostering emotional resilience, online safety awareness, and empathy among students, an online session on bullying and cyberbullying was organized by the school to grade 5 students. The session was conducted by **Safety Troops** and was held on Wednesday, 18th December 2024.

The session was highly interactive, with students participated enthusiastically. Key strategies for preventing and responding to bullying situations were discussed, empowering students with essential skills for their well-being.

The school encourages parents to continue reinforcing these practices at home, ensuring a comprehensive approach to the development of these vital life skills.
