

## STORY-TELLING SESSION-PRIMARY

The objective of storytelling session is to provide a platform for individuals to share their personal stories, experiences and insights fostering a sense of community, empathy and connection among the characters. An interesting session was organised by the school to Primary students on 19<sup>th</sup> and 20<sup>th</sup> of December, 2024 in the school premises, facilitated by Ms. Renu Chamarchy, a renowned storyteller, educationist and resource person for Scholastic. Ms. Renu ma'am narrated variety of stories to students such as "Farmers and Princess", "Chandra and the Sea demon", "The magic Pumpkin", "There is no rain in the forest" and so on using various pedagogies, materials and instructional strategies. Her ability to engage the audience with her expressive narration and captivating stories created an enriching and memorable experience. The session not only entertained but also imparted valuable lessons, making it both enjoyable and educational. The students thoroughly enjoyed the experience and the sessions were impactful.
