

## LKG BLOCK COMMENTARY

**WEEK NO: 39**

**Block No: 25**

**Dates: 20-01-2020 to 24-01-2020**

**Dear Parent,**

**From the Desk of the LKG teachers**

**We are going to tell you about the Early Programme lesson on Drama-The Big race. In this lesson, students will be able to recognize the importance of working together as a team towards a common goal through a play. The importance of people around us, our family and friends will be highlighted.**

**Students will first listen to the narrative of the play. They will pretend to act like the different animal characters using props they have prepared, such as animal headbands and masks, for the pretend play. Then, on the last day of the lesson, they will present the drama with teacher's support. During Math time children will learn to write numbers '1-30'. During language time students will learn to write missing letters 'a-z'.**

**Rather than just listening to the narrative of the play, students will pretend to be the characters themselves and imagine what they will do or say. They will collectively prepare the props used in the play and work in groups to present the play.**

**At home, you can arrange a picnic with friends of your child and their families. Play some games and engage in different races to give him/her a chance to experience what they had read about.**
