## NURSERY

### 2024 - 2025

Dates: 19.06.24 to 29.06.24

Dear Parent,

Welcome to Kindergarten!! We are grateful to begin this journey with your Kindergarten! We recognize that the transition to Kindergarten is a BIG one, both for your child(ren) and for you. Kindergarten is structured to accommodate a great diversity of student needs. Kindergarten is a community of "doers" and through 'work' the young child learns not only social and domestic skills but are able to develop good motor and practical skills. Young children learn for life from life. Developmentally appropriate programs, in which children learn through exploration and play, as well as pre-academic training in a structured environment, are carefully designed and provided. "The curriculum represents a balanced approach to meet the social, physical, and Intellectual needs of each child. It is a goal of school to provide an atmosphere in which every child learns, grows, and is valued as a unique human being." The curriculum emphasises the interconnectedness of physical, emotional, social and cognitive development. Learning will be real and Learning will make sense!

### From the desk of NURSERY teachers.

**During transition period:** Children will learn to interact with each other, know about teachers, support staff, explore new environment through activities, fun filled indoor/ outdoor games, rhymes and stories. Children will learn to identify their belongings, share their names, Parent's names, and respond to teachers and people around them.

Wishing them all to come up with blooming smiles every day.

**Events:** 15-06-24 (Saturday) – Nursery Parent Orientation  
21-06-23 (Friday) – Yoga Day [Special Assembly]
