

D.D.M.S.P.OBUL REDDY PUBLIC SCHOOL

1(T) ARTY BTY NCC

HYDERABAD GROUP

On January 4th, 2025, the NCC cadets of the Army Wing from P Obul Reddy Public School visited the Indian Army Mela at Golconda Fort. We left at 9:30 AM and returned by 1:00 PM. It was a wonderful experience where we got to learn a lot about the Indian Army and its powerful weapons.

At the mela, there were many displays of weapons used by the Army. We saw old cannons and mortar guns that were used in earlier wars. There were also modern rifles like the INSAS rifle and AK-47, which are used by soldiers today. These rifles were explained in detail, showing how they help soldiers in battle.

Another major highlight was the display of heavy artillery such as howitzers and field guns, which can shoot over long distances. The power of these weapons was truly impressive. We also saw missile systems that are used to target enemies from far away.

The Army personnel explained how each weapon works and its role in keeping our country safe. They also told us about the importance of training and how soldiers are prepared to use these weapons effectively in combat.

The visit was both educational and inspiring. We learned not only about the weapons but also about the discipline and dedication of our soldiers. It was a proud moment for all of us as we gained a deeper respect for the Indian Army.
