

WORKSHOP - REPORT

A workshop was conducted for primary teachers on 22nd April, 2024 in the high school auditorium. The workshop aimed at “Master in Learning Objectives”.

Ms. K.C Srivani, headmistress of primary wing, welcomed the resource person Ms. Sudha Rani with a sapling. Ms. Sudha Rani is a certified multilingual educationist and career development professional, working in “My Edu Guru “.

The session was well-presented, informative, and featured a variety of activities which includes: Learning objectives - skill-based, attitude-based and knowledge-based. The session also focused on the importance of learning objectives as per NCF and NEP.

There was active participation of teachers in the workshop.
