

WORKSHOP AI WEDS AI (ACADEMIC INTELLIGENCE WEDS ARTIFICIAL INTELLIGENCE)

A three hour workshop was conducted by the team of Chrysalis on 25th October, 2024 at Lemon tree hotel, Hyderabad by our IT facilitator Ms. G. Sreedevi and Preprimary facilitator Ms. Mamta. The session was hosted by the team of three resource people, Mr. Santosh, Mr. Ganesh and Mr. Bipin. The workshop focused on uncovering learning; socio-emotional language (SEL) and assessment for learning NOT of learning. The session also briefed about the books that were designed based on teacher-learning process and human capability challenges. They also discussed about their books and the highlights that integrate and match to the Holistic Progress Card (tool to fill in parent column in the report card). Their curriculum also provides genie device (AR camera). The session was informative and they conducted few activities actively.
