

THE BURLINGTON MAGIC OF EARLY YEARS

An interesting workshop was conducted by Burlington English Publishers for school teachers to fine-tune their existing knowledge of the English language. The workshop was conducted on the topic “The Brain Loves Rhythm” on 5th December, 2024 at Taj Vivanta , Begumpet , Hyderabad. The session was hosted by Dr. Swati Popat Vats an advisor, The Burlington magic of early years, President, ECA –APER.

The session emphasized on The Magic of NEP 2020 and NCF 2022 in the school curriculum. It also enlightened us on

- How the fairy tales and rhymes need to be changed in our curriculum
- How Wellness and wellbeing is holistic development with Panchakosha and student assessment
- How Panchadi refers to the 5 steps of learning process
- What is R.A.D learning
- How art and craft should be according to NCF
- Know the brain practice for whole brain working

The session was attended by Ms.K.Vijaya Durga Devi, Headmistress of Pre Primary, Ms.A.V.Anuradha and Ms.V.Anusha with lot of zeal and enthusiasm.
