

## MATHEMATICS WORKSHOP

A Mathematics Workshop focusing on Competency-Based Assessment (CBA) was conducted at DDMS P. Obul Reddy Public School on the 8th and 9th of February 2025. The resource persons for the session were Mr. Ameer Khan and Ms. Usha Thanmayee, who provided valuable insights into modern teaching methodologies. The workshop was attended by Ms. Malleshwari, Ms. Gayatri, Ms. Nagajyothi, and Ms. Kranthi, all secondary-level mathematics teachers.

The primary objective of the workshop was to emphasize the integration of real-world examples and practical applications into mathematics lessons. The resource persons highlighted how linking mathematical concepts to everyday experiences can make learning more engaging and relevant for students. Various strategies for competency-based assessments were discussed, ensuring a deeper understanding of mathematical concepts beyond rote learning.

The workshop was an enriching experience, providing teachers with innovative techniques to enhance classroom teaching. The sessions were interactive and insightful, equipping educators with tools to create a more application-based learning environment. Overall, the workshop proved to be highly beneficial, leaving attendees with a renewed perspective on making mathematics more accessible and meaningful for students.
